

Dr. Adebola Dele-Michael and Radiance Skin Care Line Published on October 23, 2014 National Media Website.

NEW YORK, NY, OCTOBER 23, 2014 – Top dermatologist and nationally recognized health expert Dr. Adebola Dele-Michael launches a new, anti-aging skin care line called Radiance Skin Care specially formulated for all skin types and conditions.

Dr. Dele-Michael is best known for her expertise in new developments in cosmetic dermatology and the safety and innovation pertaining to dermatology.

Recognizing that your skin is unique, and requires a personalized treatment plan, Dr. Dele-Michael and Radiant Skin Dermatology and Laser provide expert care for a wide range of treatments for patients. Dr. Dele-Michael's knowledge in general and cosmetic dermatology enables her to offer a comprehensive array of treatments for problems affecting the skin, hair and nails. She has vast experience treating children and adults of all skin types and tones.

Best known for her cosmetic dermatology approach that produces natural, refreshed results, Dr. Dele-Michael alongside the Radiant Skin Dermatology and Laser staff use minimally invasive procedures to achieve maximum skin results and long-term benefits. Dr. Dele-Michael is at the forefront of facial volume restoration; specializing in the injection of neuromodulators such as Botox, Dysport, Xeomin and dermal fillers such as Juvederm, Belotero, Restylane, Perlane, Radiesse and Sculptra to help patients look their best. She performs the innovative Ultherapy for neck, chin and eyebrow lift and Coolsculpting for reducing the stubborn areas of fat on the body without surgery. She also performs laser treatments to address hair removal. Dr. Dele-Michael is committed to providing her patients safe, innovative and effective cosmetic treatments, which are the hallmarks of her successful dermatology practice.

The Radiance Skin Care line is designed for men and women. The line of products are developed to provide effective, gentle skin care and include: Radiance Sheer Physical Sunscreen, Radiance Eye Serum, Radiance Rejuvenating Cleanser, Radiance Rejuvenating Cream, and Radiance Rejuvenating Pads. All products are

sold at Radiant Skin Dermatology and Laser. To make an appointment and information on Radiant Skin Dermatology and Laser including the Radiance Skin Care line of products call [888-582-0276](tel:888-582-0276) and visit www.radiantskinnyc.com.
